Michigan Elite Gymnastics Academy Qualifies Three Gymnasts to the Junior Olympic National Championships!

Kylie Fagan

Lindsay Bridges

Kelsey Turnquist

Congratulations girls! MEGA qualifies Kylie Fagan, Lindsay Bridges, and Kelsey Turnquist to the Junior Olympic National Championships. The top 7 gymnasts in each age group at the level 10 Regional competition qualified to the Junior Olympic Nationals, being held in Auburn, Washington May 14-16. The 8th, 9th and 10th place all around finishers in each age group will advance to the NIT tournament which will be held following JO Nationals in Washington.

Kylie Fagan and Lindsay Bridges, both in the Junior D age group, placed 5th and 6th in the all around at the regional competition to earn their spot on the Region 5 National Team, and will compete on Saturday May 16th in Washington. Kylie also placed 3rd on Bars and 4th on Beam. Lindsay placed 5th on Bars.

Kelsey Turnquist placed 6th in the all around to earn her spot on the Region 5 National Team in the Senior B age group, and will compete in the Junior Olympic National Championships on Friday May 15th in Washington. Kelsey also placed 4th on Beam and 5th on Floor.

Kayla Weber competed in the Junior B age group at the regional competition, and finished 10th in the all around, which qualifies her to the NIT Competition being held in Auburn, Washington on May 17th.

MEGA had seven gymnasts competing for a spot on the Region 5 National team. The coaching staff is very proud of all of our gymnasts. The competition is very tough and one mistake can keep you from qualifying to the National competition. Unfortunately a few of the gymnasts experienced a couple of mistakes, but they also had some individual great performances. We do not have any seniors this year, so they will all be back next year.

Ellie Gosselin competed in the Junior D age group, and placed 2nd in the region on Beam. Taylor Medrea, Senior B, placed 7th on Floor, and Kaitlyn Betts, Senior A, placed 6th on the Vault.

Way to go MEGA!!
